RULES

- This is a FIFA fair play tournament, organised to provide players with an opportunity to learn, demonstrate their skills and enjoy themselves. Usual FIFA rules apply.
- Rolling substitutes - the coach must ensure that players leave the field of play at the nearest exit point so substitutions can be made quickly with the aim of not disrupting the flow of play.
- Where there is a clash of colours, the away team (i.e. the second named team) in the fixture must provide a change of shirts (or bibs) that does not clash with the home team's colours.

RESULTS

- All results will be posted on the Western Springs AFC App once ratified through receipt, at Tournament HQ, of the referees' cards for that match.

REFEREES / LINESPEOPLE

- NRF referees will be allocated to all matches.
- Each team should provide a linesperson for each of their matches. Note that lines people **MUST** have football boots or turf shoes for matches on Fields 1 and 2.

- Red cards will impact the subsequent match(es) irrespective of the transition from Pool to post-Pool play.
