ADDITIONAL TRAINING ACTIVITIES

Here are some additional training activities you can try, giving you the opportunity to try something new whilst you are at home.

They only require a small space and you can view on a TV or any portable devices through YouTube. Trying anything new for the first time can be a bit tricky but once you go for a second and third time then it gets easier and you'll get used to the movements/skills involved. To make it even more fun then ask somebody at home to join in with you!
