

POLICIES AND PROCEDURES

HEALTH AND SAFETY

Tsunami

If there is a long and strong earthquake, get uphill

Seddon Fields is located within the evacuation zone for a medium sized Tsunami. Move immediately to the nearest higher ground

Plan ahead

Know where the tsunami evacuation route goes - the safest place is toward the zoo or Western Springs College

During trainings or games

Clear the field immediately and move to higher ground

Listen to local radio stations and do not return to the evacuation zone until given the all clear
